
A busy man is going about his regular routine in Mumbai, when out of the blue he gets a call from a woman claiming to be his wife. After a lot of coaxing and self-doubt, he decides to investigate who she really is. As the story progresses, he becomes embroiled in an increasingly disturbing situation that has him questioning his sanity and every choice he has made up until now. If you liked movies like "Gone Girl" or "Seven", then this psychological thriller will give you chills down your spine.

Director: Vishal Bhardwaj Cast: Nawazuddin Siddiqui, Vicky Kaushal, Richa Chaddha, Om Puri, Shehzaade, Harshita Matiyani

Sadly the film didn't do well at the Box Office and is yet to get released on DVD/Bluray (I hope it does in future). It's a real shame because I believe it's an excellent movie and worth watching. Actors like Nawazuddin and Vicky will definitely go on to make a mark in Hindi Cinema in future. If you have seen the movie then please comment but if not then I suggest you guys check it out. I will be changing this template MYSELF from now on, so if I do anything wrong just contact me. Also, if anyone wants to use the template to make a page for another movie or article, they can do so as long as they credit me and put a link to this page :) - END OF ARTICLE]
